### **Maintenance Requires Continuation of Long-Term Lane Closure of State Highway 177 Bridge across Norfolk Dam**

**BAXTER COUNTY (8-25)** – Maintenance work by the U.S. Army Corps of Engineers on Highway 177 (Norfolk Dam) requires continuation of the long-term lane closure, according to Arkansas Department of Transportation (ARDOT) officials.

A single lane will remain closed and will remain closed 24 hours a day, seven days a week through December 2020. This closure began in October 2019 and was expected to end Thursday, October 15 (NR 19-288), but delays require this extension to remain in place. More information about this project is available by contacting the Corps of Engineers Mountain Home Project Office at 870-425-2700.

Traffic will be controlled by traffic cones, portable lights, and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ARDOT.gov](http://ARDOT.gov). You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
