Mayo Promoted To Division Head

David Mayo was recently promoted from the position of Assistant Division Head to Division Head of State Aid.

Mayo earned a Bachelor's Degree in Civil Engineering from Memphis State University.

His career with the Department began in 1977 as a Civil Engineer I in Resident Engineer Office #61. One year later, he was promoted to Civil Engineer II in the Construction Division. Mayo became Civil Engineer III in 1979, and Construction Project Supervisor in 1981. He became an Advanced Design Engineer in the Roadway Design Division in 1982. Mayo transferred to the State Aid Division, one year later, as a Civil Engineer IV.

He was selected to head the Federal Aid and Contracts Section of the Programs and Contracts Division in 1985, and also held the titles of Staff Contract Proposal Engineer and Staff Project Development Engineer.

He achieved the level of Assistant Division Head of the State Aid Division in 2002. Mayo was chosen as Division Head after Jake Weston retired from that position this March.

David Mayo has been promoted from Assistant Division Head to Division Head, after Jake Weston retired from that position.

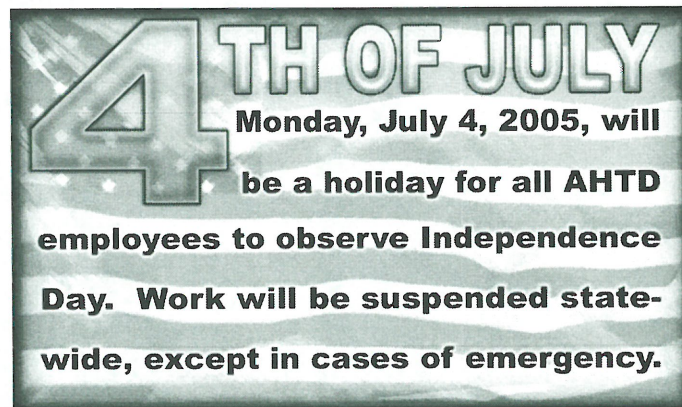

Retirement Board Nominees

The Fiscal Services Division has announced the nominees for the Retirement System Board of Trustees.

The nominees are Scott Bennett, Assistant Chief Engineer for Planning, and Rick Rawls, Senior Design Tech in Facilities Management.

Nominated to the board as Retiree Members are William Tyler, former District Engineer in District 3, and Jim Barnett, former Division Head for Maintenance.

An election ballot has been mailed to all members and results will be announced in July.

Employee - Zack Lambert, District 7

Title - Rest Area Attendant, Clark County

Length of Service - 16 years

Job Duties - I am responsible for keeping the Rest Area clean and presentable. I take care of the treatment plant, mow the grass and any other maintenance that I can do.

Favorite or most interesting part of the job - I enjoy mowing the grass and meeting the different people that stop at the park.

Family - I have a wife, three boys and two girls and many grandchildren and great grandchildren. I really enjoy being with them when we can get together.

Hobbies - I love to fish, when I can get away from "Honey-Do" jobs. I also like spending time raising vegetables in my garden.

District 8 Takes Rodeo Title

The engines on various road construction equipment started revving early on the morning of June 9th as AHTD teams gathered from across the state in Little Rock for the 15th Annual Equipment Operator's Rodeo.

Friends and families enjoyed a sunny morning but were more interested in the competition in categories that included tractor/mower, tractor/lowboy, single axle dump truck, tandem axle dump truck, motor patrol and backhoe.

After semifinal competition in each District earlier in the year, Finals were an opportunity to display award-winning skills and walk away with the state title. Among the tasks were guiding mowers through obstacle courses, picking up golf balls with backhoes and knocking tennis balls off of posts with a motor patrol blade.

The competition lasted throughout the morning and was followed by a luncheon for employees and families.

Following lunch, AHTD Director Dan Flowers and members of the Highway Commission announced the results of the competition.

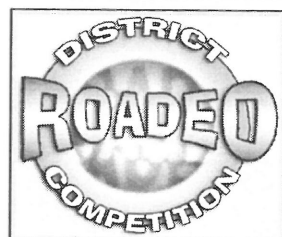

Among the individual top finishers was Fred Ridenhour, of District 4. He won the Tractor/Mower category for the fifth time since 1999. Randall Edgmon, of District 9, finished first in the Motor Patrol category for the fifth year in a row. Taking the big prize as the 2005 Team Champions was District 8.

"In all ten districts and the other Divisions that participate, we have many exceptional equipment operators and this competition always gives them a chance to shine," says District 8 District Engineer Frank Russenberger. "It is a great honor to bring the team trophy back to District 8," he added.

"Many of our employees look forward to annual participation in the District and State Rodeos and they really are excited now that we will have four members of our District Team going to the regional competition in Myrtle Beach, South Carolina," Russenberger stated. "I am thankful that the Department puts on this competition every year. It is an excellent tool for boosting employee morale."

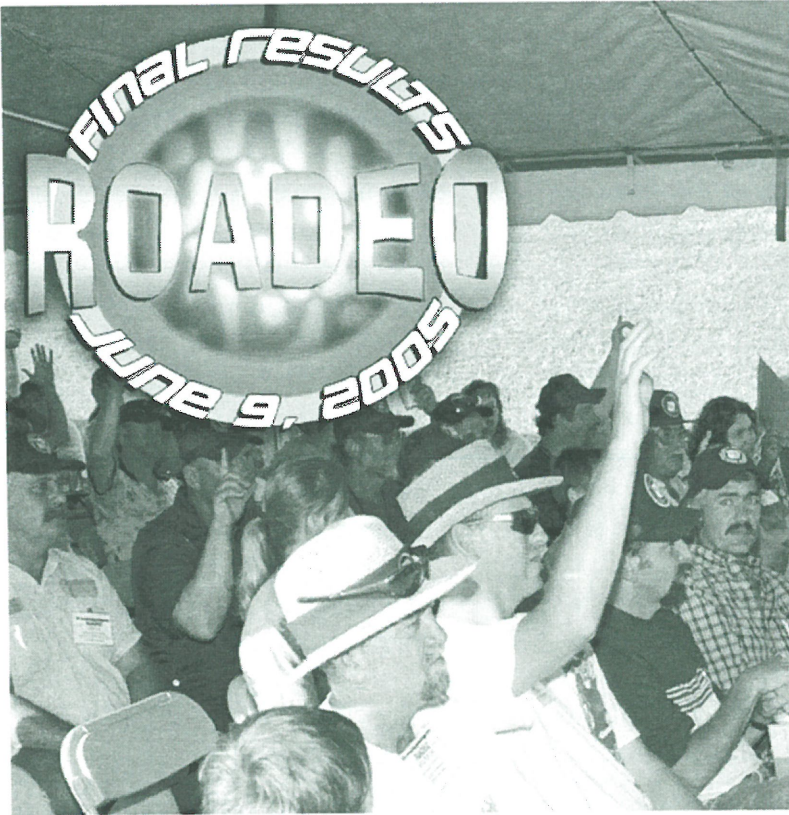

The top two winners in each category from the day's competition will travel to Myrtle Beach, South Carolina, for the 2005 Regional Rodeo featuring teams from South Carolina, North Carolina, Georgia, Mississippi and Arkansas. The competition is tentatively set for October.

Kids Corner

Highway Police Host 2nd Annual Softball Classic

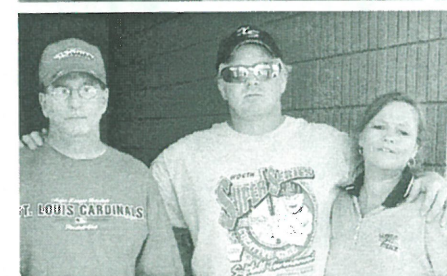

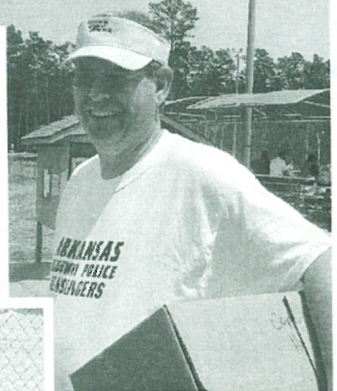

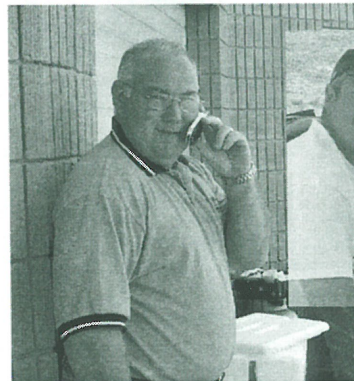

The 2nd Annual Arkansas Highway Police (AHP) Softball Classic took place at Burns Park in North Little Rock on May 7th. A total of 28 slow pitch softball teams entered the tournament, including nine law enforcement teams.

At the end of the day, first place winners were Ashbrook's Medical (overall), Bone Crushers (men) and A-Plus Alarms (women). In the Law Enforcement Division, the AHP Highway Men, coached by Cpl. Roy Martin, finished third and AHP Gunslingers, coached by Lt. Eddie Bush, finished fourth.

In addition to the team competitions, a home run derby attracted 33 players to see who could hit the most home runs out of 10 swings. The prize was a \$300 bat. The top home run performance by the men was five, hit from home plate. For the ladies, it was two home runs, hit from second base. Over 1,500 raffle tickets were sold with prizes including round-trip afares, hotels and merchandise such as softball gear and designer sunglasses.

Net proceeds totaling approximately \$5,000 from gate admissions, entry fees, raffle ticket sales, concessions and souvenirs will be donated to Special Olympics Arkansas. Through community-based fund raising activities, the Special Olympics organization provides free training, equipment and sporting competitions for mentally and physically challenged athletes.

For more information about next year's AHP Softball Classic or to purchase commemorative merchandise, please contact Colleen McClure or Joy Bean in the Highway Police Division.

SAFETY TEAMS

Safety is the Goal of New AHTD Teams

Did you know that safety teams are now in place in each AHTD District and the Maintenance Division? The purpose of these teams is to promote safety in the workplace, and to provide an avenue for employees to make recommendations to management regarding safety issues and concerns.

Should you have safety-related issues or concerns, feel free to contact any of the individuals listed below who represent the area in which you work. For those areas of the Department not represented by one of the safety teams, please contact the Training & Safety Section of the Human Resources Division at 501-569-2236.

Maintenance Division

Margaret Besancon, Office Admin. Asst III; Tracy Dixon, Bridge Repairer I; Travis Evans, Lowboy/Float Truck Driver; Bradley Hall, Sign Maker I; Brian Hayes, Striping Crew Supervisor; Josh Phillips, Single Axle Truck Driver

District 1

James Barte, Senior Inspector; Nancy Jumper, Fuel Clerk; George McDaniel, Crew Leader; Harold Mullins, Crew Leader

District 2

Clarence Edwards, Maintenance Aide II; Ray Spears, Crew Leader; Joseph Valliant, Senior Inspector; Ernie Westfall, District Construction Engineer

District 3

Kenny Bennett, District Maintenance Engineer; Greg Harding, District Construction Engineer; Steve Morrow, Equipment Maintenance Supervisor; Ray Scott, Maintenance Aide II

District 4

Stan Bates, Distributor/Roller Operator; Pam Bruce, District Receptionist; Cody Holland, Construction Aide II; Gabe Mizell, Spreader Operator

District 5

Kenny Bowren, Assistant Resident Engineer; Ronnie Caraway, Crew Leader; Paul Matthews, Permit Officer; Raymond Ratton, Crew Leader

District 6

Alice Balding, Maintenance Aide II;

John Caldwell, Maintenance Aide II; Mary Calloway - Inspector; Roy Johnson, Storeroom Supervisor; Frank Shepherd, Maintenance Aide II

District 7

Sam Bradshaw, Permit Officer; Clifford Childers, Area Maintenance Supervisor; James Ellis, Sealing Job Superintendent; Ronny Rogers, Assistant Resident Engineer

AHP Patrolman Toland Receives Recognition On Arkansas Missing Children's Day

PFC Greg Toland of the Arkansas Highway Police was recognized during the Arkansas Missing Children's Day ceremony held May 11 in MacArthur Park in Little Rock.

Toland, along with trucker Charles Cogburn, officers from the Arkansas State Police, Conway County Sheriff's Department, Menifee Police Department and Bryant Police Department, received the "Morgan's Choice" award for their efforts in recovering Shauna Leigh Owens, age 17, who was kidnapped in Plano, Texas. Owens also received an award for her efforts to escape her kidnapper.

An Amber Alert was broadcast nationwide when Owens was taken. Trucker Charles Cogburn sighted the vehicle traveling on Interstate 40 in Conway County. PFC Toland, and members of the other law enforcement agencies involved, successfully pulled the vehicle over, recovered Shauna and made an arrest.

For their efforts, those involved were presented the "Morgan's Choice" award by Colleen Nick, mother of Morgan Nick, missing from Alma, Arkansas, since June of 1995. The award is a special honor given by the Morgan Nick Foundation to honor law enforcement agencies and other individuals who have helped to bring missing children home.

"Children are safer today because more people are able to pay attention with the help of the Amber Alert System," Nick stated. "A total of 201 children have been recovered using the alert system."

Three hundred children are currently missing in Arkansas. "We'll never give up hope," stated Attorney General Mike Beebe. "We will work endlessly to bring our missing children home."

The Morgan Nick Foundation hosted a 1.8 mile "Walk of Hope" in Little Rock on June 25 to honor all missing persons.

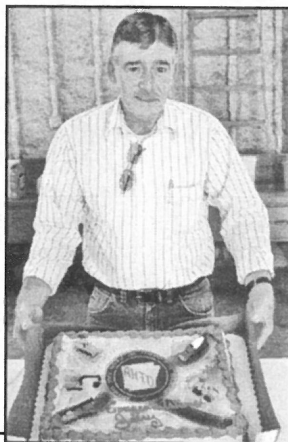

PFC Greg Toland (right) was the recipient of a "Morgan's Choice" award, which was presented by Colleen Nick (left). The award is named after Colleen's daughter, Morgan Nick, who has been missing since June of 1995.

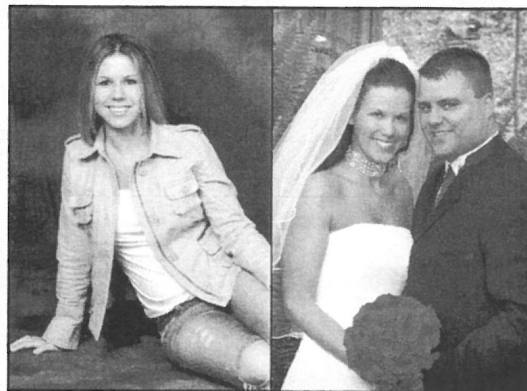

On April 28th, 2005, Ellen Hill and Farrell Wilson (4th and 5th from right) from the AHTD Public Affairs Office assisted Governor Mike Huckabee and Keep Arkansas Beautiful Commissioners in presenting the "Award of Excellence" to the Fairfield Bay Beautification Committee and Keep Fairfield Bay Beautiful.

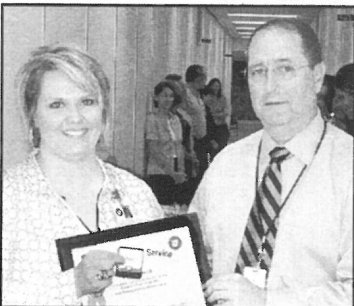

District 2: Erica Janell Haynes graduated from Pine Bluff High School. She is the daughter of John Haynes, Backhoe/Front End Loader Operator.

District 2: J.D. Vail, Crew Leader in Ashley County, recently retired after 26+ years with the Department.

Arkansas Highway Police: (left) Kimberly Martin graduated May 14, 2005, with an LPN degree from Northwest Arkansas College, and (right) Amy Martin married Mike Agnew March 18, 2005, at Thorncrown Chapel in Eureka Springs. They are daughters of CPL Roy Martin.

Robyn Smith, Fiscal Services, receives her 15-Year service award from Chief Fiscal Officer Larry Dickerson. Robyn has been promoted to Section Head, Administration, in the Right of Way Division.

District 6: (l. to r.) Rex Spurlock, District Maintenance Engineer, presents a 10-year service award to Joann Richmond, Maintenance Aide II.

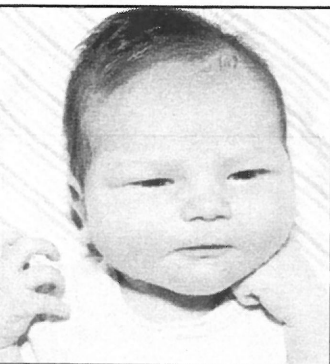

District 8: Robin, age 14, and Natasha, age 11, are the daughters of Andy May, Maintenance Aide II. Their dance company won 1st and 3rd place in their division at the ESPN National Dance Competition at Disney World in February. They also won 1st place in their division in the 2005 Dance Explosion Contest in Conway in March.

Arkansas Highway Police in District 3 are glad to welcome SGT Jack Stepp back to duty at his job with the AHTD. Stepp was on Active Duty in Iraq from October 12, 2003, to April 15, 2005. Stepp is pictured on duty in Iraq in November 5, 2004, and standing next to his "Welcome Home" banner, signed by his co-workers, in May 2005.

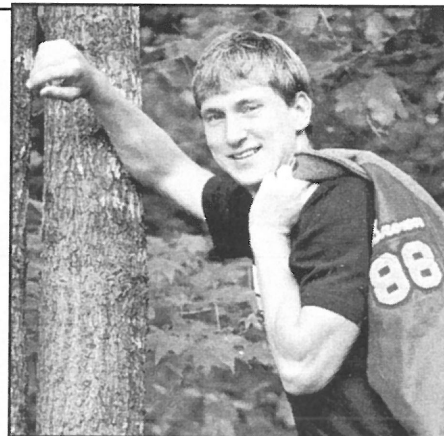

Arkansas Highway Police: (l. to r.) PFC Nick Phillips, SGT Sammy Brown and SGT Jack Stepp recently received a Certificate of Appreciation from the Drug Interdiction Assistance Program.

Programs & Contracts: Mark Green, Reproduction Technician, enjoyed a "Welcome Home Brunch" after returning to work from 18 months of military duty in Iraq. Mark is pictured with his son, Joshua, and wife Cassandra.

District 2: Joseph Jordan Brown graduated from Sheridan High School. Joseph is the son of Bill Brown, Asphalt Tank Truck Driver.

District 10: Jacob Marvin Clark was born May 5, 2005, to Chad and Amy Clark. Proud grandparents are Randy and Brenda Clark. Randy is District Bridge Inspector.
