# The Staff Minute

**Employee:** Roberto Hernandez

**Job Position:** Multi Axle Truck Driver, District 7, Bridge Crew.

**Length of Service:** 4 ½ years.

**Job Duties:** My job duties include driving a tool truck, running the necessary equipment and whatever else needs doing. I also weld and fit steel.

**Favorite part of the job:** My favorite part of the job is working with the Bridge Crew. We work together well and have fun at the same time. I like to get up every morning and come to work and enjoy myself. The Bridge Crew is great.

**Background:** I came from Southeast Texas. I worked for the City of Rockport, Texas, the Water Department in Fordyce, Arkansas, and then AHTD. I got along with everybody on all of those jobs.

**Family:** I have six boys with me here, and three girls who live in Texas. We have a happy family. I also have nine grandchildren in Texas.

**Hobbies/Interests:** I like to fish and play sports with kids. I like to coach kids in any kind of sports.

# Highway History

A SYMBOL OF FREEDOM  
INTERSTATE  
50 YEARS  
1956 - 2006

Construction in 1954 on the southbound lanes of the New Benton Highway, which became Interstate 30.

PFC Andreas F. Pruitt of the Arkansas Highway Police awaits the pitch at the 2006 Arkansas Highway Police Special Olympics Softball Classic. The event was held April 1st at Burns Park in North Little Rock. As a result of the combined efforts of many dedicated volunteers, the event raised over \$8,800 to benefit special athletes in Arkansas.

# District 8 Takes Title at Equipment Operators Rodeo

For staff members and competitors from District Eight, it was déjà vu as they won the title of District Champions at this year's Equipment Operators Rodeo.

The event was held June 1st at Central Office, and for the first time since the team trophy has been awarded, a District has now won in back to back years.

District Eight won in 2005, and in 2001 and 2003 as well.

"District Eight is proud of our team and the way they were able to compete with the excellent level of participants that all the Districts and the Central Office crews sent to the Rodeo," stated District Eight Engineer Frank Russenberger.

Needless to say, everyone that competed in this year's Rodeo displayed award-winning skills in front of a large crowd that included family and friends. There were plenty of skill areas to compete in including

tractor mowers, tractor/lowboys, single axle dump trucks, tandem axle dump trucks, motor patrols and backhoes.

In addition to the team trophy, winners were also named in each of the categories. The top two winners in each category now move on to compete in the 2006 Regional Rodeo to be held in Savannah, Georgia, on October 3rd and 4th. Teams from Arkansas, Mississippi, South Carolina, North Carolina and Georgia will participate in the regional competition.

Director Dan Flowers congratulates the competitors for the day's efforts.

Competitors traveling to Georgia were reminded of one thing.

"I want our champions to make note of who has won the regional competition the past three years in a row," stated AHTD Director Dan Flowers. "However, I'm not putting any extra pressure on you."

"I know the Highway Commission and Department wish the Arkansas team good luck at the Regionals," added Highway Commissioner Carl Rosenbaum. "I know everyone is looking forward to it."

**Team Champions, District 8:** (l. to r.) John Crawford, Darrell Barnes, Randy White, Dennis Langston, Director Dan Flowers, District Engineer Frank Russenberger, Commissioner Carl Rosenbaum, Larry Brazil, David Pruitt and Jay Rankin.
