James Moore Receives Regional Recognition

James Moore, Section Head for Equal Employment Opportunity/Disadvantage Business Enterprise (EEO/DBE) has received an award for his work in advancing civil rights.

The Special Recognition Award was presented to Moore at the 2010 American Association of State Highway and Transportation Officers (AASHTO) National Civil Rights Symposium held in September in Norfolk, Virginia. AASHTO presented the award to Moore for recognition of an individual who has made a noteworthy contribution in advancing civil rights through commitment and dedication. Out of the 50 states, only two state Department of Transportation administrators received the award this year.

In its monthly newsletter, the Arkansas Disadvantaged Business Enterprises Contractors Association stated "Mr. Moore has a reputation for being fair and understanding when it comes to issues with DBE and Prime Contractors. If a problem arises, you can always count on Mr. Moore to handle the situation following the mission and goals of the DBE Program. He is very dedicated to ensuring that all DBEs have an equal opportunity throughout AHTD construction projects."

The Arkansas State Highway and Transportation Department complies with all civil rights provisions of federal statutes and related authorities that prohibit discrimination in programs and activities receiving federal

Department Presents Donation to Children's Hospital

The Arkansas State Highway and Transportation Department presented a \$1,000 donation to Arkansas Children's Hospital recently. The contribution was included in a "Top Projects of the Decade" award that the AHTD and the Tennessee Department of Transportation received from TRC, a national engineering consulting and construction management firm. The award recognized the work the Departments are doing on the Interstate 40 seismic retrofit project on the Interstate 40 Mississippi River Bridge at West Memphis. The project was one of four that TRC recognized across the country.

"Everyone knows the good work and the reputation that Arkansas Children's Hospital has in Arkansas, the country and the world," stated AHTD Director Dan Flowers. "It is an honor to present this award from TRC to the hospital, through the Department and the Arkansas Highway Commission."

Strategic Energy Plan

Save Energy in your AHTD office with these lighting tips:

- Buy laptops instead of desktops, if practical. They consume five times less electricity.
- If you buy desktop machines, get LCD screens instead of outdated CRT.
- Enable the power management function on your computer, the screensaver does not save energy.
- Shut down equipment when not in use, including copiers.
- Use online conferencing and teleconferences to reduce travel.

Thanks! These tips help make the AHTD Strategic Energy Plan more effective. Visit www.ArkansasHighways.com to learn more about our Energy Plan!

Service Recognition Payments

Due to current economic conditions that have affected every state agency, service recognition payments have been temporarily suspended by all agencies. However, economic conditions will be re-evaluated periodically to determine if or when these payments can be reinstated and payments made to employees. AHTD staff will be kept advised should these conditions change.

Lawrence Promoted to DE

Steve Lawrence has been named District 9 Engineer effective November 18, 2010.

Lawrence has a bachelor's degree in Civil Engineering from Louisiana Tech University. He is a Registered Professional Engineer.

Lawrence's career with the Department began in 1987 as a Civil Engineer I in the Bridge Division. In 1988, he advanced to Bridge Design Engineer and, one year later, transferred to the Resident Engineer Office in Harrison as a Construction Field Engineer I.

Lawrence was promoted to Construction Field Engineer II in 1991 and became an Advanced Construction Field Engineer in 1992.

Lawrence advanced to Assistant Resident Engineer in 1996. He became the Resident Engineer in Harrison in 2002. Lawrence was promoted to District 9 Construction Engineer in 2004. He obtained his current position in January 2007 as District Maintenance Engineer.

CONSTRUCTION CORNER DISTRICT 5

A construction project in the city of Heber Springs is widening approximately one mile of Second Street (Highway 25B) to three lanes. The job was awarded to Township Builders, Inc. of Little Rock in October of 2009 for \$2,944,649. Construction began in early 2010. The widening project extends from Main Street northward to Sunny Meadow Road. Work is currently over 25% complete. Completion is expected in the fall of 2011.

Photo Submissions

When you have a photo to submit for publication in the CenterLine, submit it to the person who is in charge of reporting news for your Division or District. Be sure to include the following information in your email or letter:

Note the names of the people in the photo, from left to right. Give titles for any AHTD employees in the photo. Tell what's happening in the photo and give any pertinent details. For example, 25-year service award; baby born October 15th, weighing 7 lbs., 7 oz.; employee retired with 33+ years of service.

All submissions should go through your "reporter" and be approved by the District Engineer or Division Head. It's much easier to track that way. Thanks!

AHC/AHTD LOGO CONTEST

Want to leave your mark on the AHTD?
Design a new AHTD logo!

1929

1977

*Your
Design
Here!*

2010

**The Arkansas Highway Commission is hosting a contest
to give employees a chance at designing a new logo for the Department!**

Employees are invited to submit your new logo ideas to the Public Affairs Office for consideration. The selected winner or winners will have a chance for all or part of their design to be considered for incorporation into a new AHTD logo. They will also receive a framed copy of their design and have their picture taken with the Highway Commission.

HOW TO ENTER:

- Designs must be submitted on standard letter-size paper (8½" x 11"). Designs can include wording, such as a short slogan or tagline. If colors are important to your design, then the entry should be submitted in color.
- Entries must include the employee's name, District or Division, and phone number.
- Each entry must include a written description (1 page max.) explaining the design and/or the significance of any design elements.
- Electronic entries should be sent to Info@ArkansasHighways.com. Hard copies should be delivered to AHTD Public Affairs Office, P. O. Box 2261, Little Rock, AR 72203; Attn: Contest.
- Deadline for entries is Wednesday, December 1st, 2010, at 4:30 p.m.
- The winner or winners will be announced in January 2011.

JUDGING CRITERIA:

- Overall appearance
- Message conveyed
- Ease of duplication (small details may get lost when reproduced)
- Scaling capabilities (designs should be equally effective on large posters and small business cards)
- Black/white vs. color appearance (we have a need for both)

RULES:

- Only one entry will be allowed per employee.
- Designs can be of any size, shape, and color combination as long as the submitted design fits on standard letter-size paper (8½" x 11").
- Failure to adhere to the contest rules or entry requirements will disqualify an entry.
- Vulgar, obscene, or inappropriate entries will not be considered.
- Each entry must be the original work and sole and exclusive property of the person who submits it.
- Artwork that has been previously published or exhibited is not permitted.
- The entrant or entrants whose logo design is selected agrees to transfer copyright ownership of all exclusive rights in the logo design to the AHTD without monetary compensation. The transfer of copyright ownership includes exclusive reproduction rights to his or her logo design for advertising, promotions, print publication, and Internet purposes.
- The entrant or entrants also agrees and understands that by transferring copyright ownership of all exclusive rights in the logo design to the AHTD, the AHTD may reproduce, distribute, publish, display, edit, modify, create derivative works, and otherwise use the logo design for any purpose in any form and on any media with no additional monetary compensation to the entrant.

Cafeteria Plan Enrollment Underway

Enrollment in the Department's Section 125 Cafeteria Plan for Plan Year 2011 is now underway. Forms for the program have been sent to all AHTD employees.

To be eligible for enrollment, you must be employed by the Department for six months. Those employees declining participation for Plan Year 2011 will not be eligible to enroll until the next plan year in January of 2012 unless they incur a qualified change in family status. Likewise, once enrolled, employees cannot make changes to their plan selection unless they incur a qualified change in family status. These qualified changes include marriage, divorce, death of a spouse or child, birth or adoption of a child or termination/commencement of a spouse's employment.

Remember, you must sign the form even if you are declining participation in the program. The forms should be returned to your District or Division Office on or before November 30, 2010.

Any questions concerning the Cafeteria Plan should be directed to the Fiscal Services Division at 501-569-2510 or 501-569-2512.

U. S. Savings Bonds

The AHTD has received notice that U. S. Savings Bonds will no longer be available through payroll deduction effective January 1, 2011.

Employees can still invest in savings bonds through Treasury Direct at www.treasurydirect.gov. This web-based system allows you to purchase, manage and redeem electronic savings bonds 24 hours a day, seven days a week. You may also purchase savings bonds at your local financial institution.

If you are currently enrolled in the savings bond program, you should be receiving notification and instruction directly. If you have any questions, contact the Insurance Office at 501-569-2417. Or, you may contact National Bond and Trust at 1-800-321-8024.

AHTD Winter Weather Policy

Cold weather means sleet and snow in the months ahead so a review of the AHTD winter weather policy is in order.

In the event that AHTD employees are excused by official action due to inclement weather, the following will be in effect....

Official media notice to state agencies will apply to AHTD employees except designated essential personnel. The Inclement Weather Policy excuses employees from work until 10:00 a.m. unless otherwise specified by official media notice.

Employees who report to work after the excused time will be charged leave calculated between the excused time and their arrival time. Employees who do not report to work at all will be charged for a full day's leave.

Sick leave or annual leave may be utilized for inclement weather. Leave without pay will be utilized for employees who are temporary, part-time or in an exhausted leave status.

AHTD employees working under the flex schedule must adjust their time accordingly.

The United Way campaign is in full swing this month! Watch for special events around the Department and let's make this our best year ever! The deadline for pledge cards and donations is November 30th.

The Staff Minute

Name: Joe Stone, District 3

Job Position: Maintenance Aide II

Length of Service: 26 years

Job Duties: Maintaining the grounds at the new Arkansas Welcome Center in Texarkana.

Favorite part of the job: The grounds at the Welcome Center are a beautiful place to come to work each day. I enjoy my part in keeping it beautiful.

Background: I worked at the Spring Bank Ferry for nine years and was there at its closing. I then transferred to Maintenance, where I performed routine highway maintenance until I assumed duties at the Welcome Center.

Family: I have been married to my wife Paula for 27 years. We have two sons: Justin, 24, and Zachary, 22.

Hobbies/Interests: I have a 1967 Ford Mustang that I enjoy restoring. I also enjoy finding an automobile that has been taken off of the road and restoring it back to running condition again. I also like going to the racetrack and watching the hot rods run.

District 9: Tyler Fleming, stepson of Mike Brasel, Area Maintenance Supervisor, married Rebecca Hutchison on June 19th. Tyler is also the grandson of retiree Ed Johnson.

District 9: Owen Reed James, grandson of John James, Resident Engineer, was born October 9th.

what's COOKING

This month's "What's Cooking" recipe is from...

Loretta Jones • District 8 Crock Pot Dressing

- 1 Large Pan of Cornbread
- 6 Slices of Bread Crumbled
- 1 Cup Celery Chopped
- 1 Large Onion Chopped
- 3 Boiled Eggs Chopped
- 3 Raw Eggs Beaten
- 2 Tablespoons Poultry Seasoning or Sage to Taste
- Salt & Pepper to Taste
- 1 Stick Unsalted Butter
- 2 Cans of Cream of Chicken Soup
- 2-4 Cups of Chicken Broth as Needed
- 2-3 Cups Shredded Boiled Chicken, if Desired

In a large bowl, mix together cornbread, crumbled sliced bread, onion, celery, boiled eggs, shredded chicken and seasonings. Heat together butter, cream of chicken soup and chicken broth until hot. Pour over dry ingredients and mix well. You will want it to be a very moist mixture.

Then beat 3 eggs and add to mixture, stir well and pour into large Slow Cooker. Cook on high heat for 2 hours, stir, then cook until done about 3-4 more hours on high. Should be moist when done.

TIP: For easy clean up, start with a slow cooker liner in your crock!

Please submit your recipe for possible publication in the CenterLine. Send it to Shelli Russell, P.O. Box 2261, Little Rock, AR 72203-2261 or shelli.russell@arkansashighways.com.
